

Harlequin Fiesta™

Harlequin Fiesta is a vinyl performance floor with a clear surface wear layer on top of an oak effect printed film. It looks exactly like a wood dance floor but avoids the cleaning and maintenance problems associated with traditional wooden floors.

Installation: Harlequin Fiesta is specified for permanent or temporary installation and is recommended for use in conjunction with a suitable Harlequin sprung floor. The joints are welded or taped to create a continuous performance surface.

Usage: Harlequin Fiesta is ideal for contemporary dance, ballroom, salsa, hip-hop, jazz, street and percussive dance styles (flamenco, Irish and tap). It is also widely used for aerobics and as a theatre floor.

Specification Guide

Material	Heterogeneous vinyl
Permanent or Portable	Both
Roll Lengths	15m, 20m, 25m
Roll Width	2m
Thickness	2.45mm
Weight	3.40kg/m ²
