

# Harlequin FreeStyle™

**Harlequin FreeStyle** is a cushioned vinyl performance floor with a slip-resistant dance surface, a vinyl support layer and closed-cell foam backing, this provides added protection against hard subfloors.

**Installation:** Harlequin FreeStyle is specified for permanent or temporary installation, the joints are welded or taped to form a continuous performance surface that can be laid onto any hard or smooth subfloor and is recommended for use in conjunction with a suitable Harlequin sprung floor.

**Usage:** Harlequin FreeStyle was developed for dance styles such as hip-hop, jazz and street dance (break dance). It is widely used for all contemporary and modern dance, aerobics and Zumba.

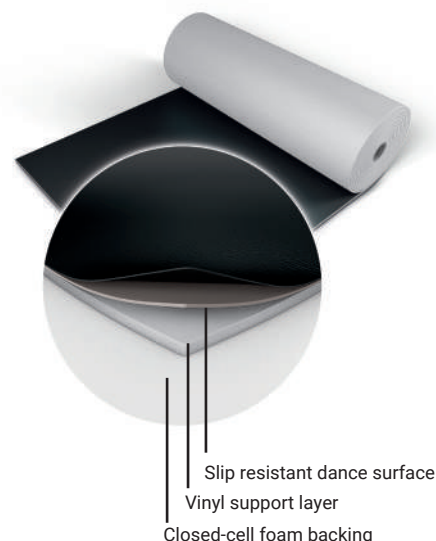

All Harlequin vinyl floors are 100% recyclable.
