# Case Study BalletBoyz Overview

Founded in 2000, BalletBoyz established itself as one of the most original and innovative forces in modern dance. Classes, workshops and residencies are delivered from the BalletBoyz studios, working with a diverse range of participants across a variety of dance disciplines.

The company has won numerous awards and nominations including an Olivier Award, National Dance Awards, an International Emmy and The Golden Prague and Rose d'Or Awards twice.

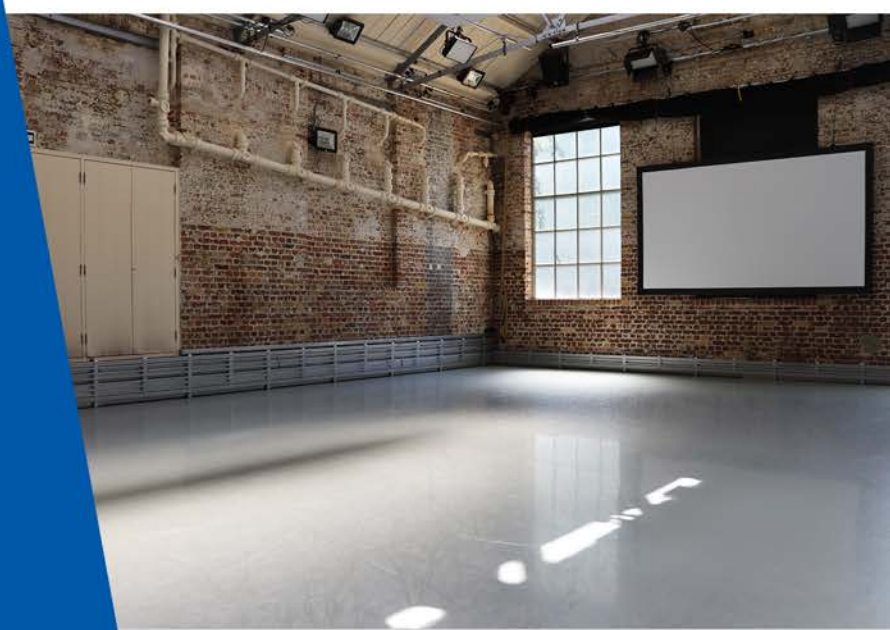

“ We’ve had a long and fruitful relationship with Harlequin which has spanned all of our activity from the live stage to screen as well as filming on location. Everything we’ve needed has been provided by them.

What is good about our relationship with Harlequin is that it’s not just a factory that sends us a floor. We always get to speak to a human being that gets to understand our project and works with us on how to make that achievable. ”

## Choice of product

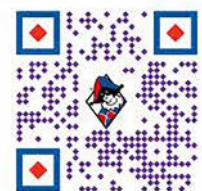

Harlequin has worked with Michael Nunn and William Trevitt, founders of the BalletBoyz, on a number of projects, providing Harlequin floors for their studios, tours and film productions.

The BalletBoyz studios, based in Kingston Upon Thames, have two studios with Harlequin Activity sprung floor and Harlequin Cascade vinyl. The BalletBoyz rehearse for their tours there as well as hosting workshops including *Parkinson's CAN Dance*.

In 2019 Michael and William directed the film *Romeo and Juliet: Beyond Words* where all performers, featuring dancers from the Royal Ballet, danced on printed Harlequin Cascade vinyl and Harlequin Liberty sprung floor panels.

When touring, the BalletBoyz have danced on Harlequin Studio and Harlequin Reversible vinyl.
